

Local Award Recipients

U3A Nunawading is proud to announce that two of our members – Noela Winter and Lesley Sinfield – are recipients of 2018 Deakin Community Awards.

Lesley Sinfield

Lesley joined U3A Nunawading in 2004. In addition to attending classes and social activities, she volunteered in 2008 taking on the exacting role of leader for an Italian Class.

From 2009 to present, she takes three weekly Tai Chi classes with an average weekly attendance of 60 ranging from beginners to advanced. The classes incorporate a wide range of Tai Chi disciplines. Lesley also volunteers to fill in for absent leaders where appropriate.

During the past fourteen years Lesley's leadership, people skills, enthusiasm and engagement have significantly contributed to the wellbeing of many older members of our community.

Noela Winter

Noela has been with U3A Nunawading since 2010. During this time, in addition to class, social and community activities, she has been heavily involved across a wide range of management roles including: Secretary (2012–2016) and Office Volunteer Coordinator since 2016, a role which involves coordinating 80 plus office volunteers with enthusiasm and a high level of expertise.

As a key part of our weekly office roster of Committee of Management members, Noela coordinates the office operations one day a week and on other occasions as needed.

A highly respected volunteer, Noela was appointed a life member in 2016 and has always been generous with her time, expertise and willingness to engage with our members.

Extract of President's Report to the 2018 AGM

U3A Nunawading continues to provide almost 2000 retired and semi-retired members of our community with the opportunity to stay active and engaged, thanks to the generosity of our many volunteers.

We are very proud of our diverse membership and the wide variety of courses we offer. Our members originate from more than 70 different countries around the world, the majority of members are aged between 66 and 76, but we have a number of active members well into their 90s.

This year the Victorian Government changed the way in which it supports U3As. We no longer receive funds based on membership numbers, but on undertaking approved projects. Adult Community and Further Education funding was provided to participating U3As for 'capacity building' projects. U3A Nunawading undertook two projects: "How to manage risk at your U3A" and "How to get your U3A more physically active". The work done by the Risk Management Committee led by Leo Sargent and the specially convened committee, made up of physical activity leaders and led by Liz Hooper, was of the highest standard and provided valuable resources for other U3As across Victoria.

In January, your Committee of Management held a strategic planning session to look at how to best manage our organisation over the next three years, including our move to the Nunawading Community Hub. The key areas addressed in our Strategic Plan are Programs and Activities, Transition to the new Community Hub, and Governance and Sustainability. This Plan will be reviewed next January to

ensure we continue to operate as efficiently as possible.

In May we held an expo entitled Your Life Your Choices, which tackled some of the issues we all face in one way or another at the end of life. Many thanks to Elaine Forde and Liz Hooper for their work on this event.

We also held a talk on how to take control of your energy bills to help members better understand the various packages promoted by energy companies.

Financial Position

We finished the financial year in a strong position as we make provision for our move to our new premises in 2020. *Please see page 6 for details.*

On behalf of all members, I thank our Treasurer Barbara Worcester for her prudent management of our finances.

Course Coordination

This year we have 180 Class Leaders, including 15 new Leaders, offering approximately 250 classes. Each year we add new classes and welcome offers from members who would like to share their passion and enthusiasm for their special area of interest.

As a U3A with so many members who did not learn English until later in life, we are very grateful to ESL Coordinator Robyn Cox and Leaders who so enthusiastically assist their fellow members to become more proficient in English.

On behalf of all members, thank you to all Class Leaders (too numerous to name here) who put so much time and effort into preparing for their classes each week. Without you, we would not have a U3A.

Thanks to Course Administrator Elsie Mutton and assistant Colleen Paterson for their efficient coordination of this key area.

Computer Classes

Despite the growth of portable devices, there was still demand for basic desktop computer courses. However, as more of our members acquire handheld devices, interest is shifting towards courses based on this form of technology.

Thanks to Computer Course Coordinator Barbara Gardiner and our Computer Class Leaders for all their work in assisting members become more technically adept.

Summer School

Sixty-eight activities, excursions and lectures were included in the January Summer School.

Thanks to Convenor Lorraine Sterling, her committee and all other volunteers involved in another successful Summer School.

Accommodation

In addition to the seven classrooms and stadium of the Nunawading Community Centre, we utilise the Seniors Hall, Jaycees Hall, Anglers Club and Building 14, also in Silver Grove.

Other locations where we hold classes include our Computer Centre in Forest Hill, the AdventCare Activity Centre, Eley Park Community Centre, Kilsyth Sports Stadium, Blackburn Bowls Club, Morack Public Golf Course and Regis Aged Care.

Thank you to Lindsay Glen and Frank Baseden for managing this essential aspect of our operations and to Nunawading Community Centre Coordinator Melinda Brown for her continued assistance whenever it is needed.

UMAS Member Administration System

Since its introduction in 2015, we have seen a steady increase in online enrolments. Approximately 60% of our members enrolled online this year and 50% of

membership fees were paid online. The growing use of UMAS by members is of enormous help to our administration volunteers.

Many thanks to our System Administrator Andrew Lockwood for all of his work on our member administration system.

Technical Support

Ensuring that our Forest Hill Computer Centre computers and ancillary equipment remained online and up-to-date presented some challenges, however, due to the large amount of time spent by key volunteers, we managed to avoid any major disruptions.

Many thanks to Lindsay Glen for overseeing our computer systems both at Silver Grove and the Computer Centre and to Bert Lopes, Tony Widdows and other Computer Class Leaders for their support.

Front Office

Unlike many U3As we have volunteers on duty in the office from 9am to 4pm Monday to Friday. We are only able to provide this service due to the commitment of Committee Duty Members Lorraine Sterling, Lindsay Glen, Leo Sargent, Noela Winter, Barbara Worcester, Liz Hooper and Andrew Gee plus the nearly 80 Office Volunteers who staff the front desk.

On behalf of all members, I thank them all for being the 'welcome face' of U3A Nunawading.

Communications & Publicity

Our C&P Committee coordinate our involvement in community events locally and in the city. In October 2017 they arranged our participation in the Seniors Week Launch at Federation Square and our involvement at the annual Whitehorse Spring Festival.

Our Choir performed at Federation Square and later with some of

our artists at Forest Hill Chase, also as part of Seniors Week. The C&P Committee also arranged for a display of craft items for the Nunawading Library.

Thanks to Convenor Frank Baseden, Lola Lane, Jan Felstead and Liz Hooper for our successful participation in these community events, as well as the performers, demonstrators and other volunteers involved.

Keeping nearly 2000 members informed throughout the year in a cost-effective and timely manner provides quite a challenge. These days, we rely mainly on email, our digital newsletter and website.

Our thanks to Newsletter Editor Raine Biancalt and Designer Chris Gray for our attractive and informative newsletter and Webmaster Helen Smith for keeping us up-to-date via our website. Thanks also to Archie Kaan for his work throughout the year as our official photographer.

Social Events

Over the past year our Social Committee has held a Games Afternoon, an Easter Variety Show, an excursion to the Viking Exhibition and a Comedy Film afternoon. They also worked with Elsie and Ross Peacock on our annual Melbourne Cup lunch.

Thanks to Convenor Jillian Gale, catering coordinator Bev Clarke, Social Committee members and their other volunteers for their contribution to the social activities of our U3A. Thanks also to Ross Peacock and Graham Haynes for their individual contributions to our social events.

U3A Network Victoria

U3A Nunawading continues to support the work of our U3A Network Victoria office in representing our movement to

state government and providing opportunities for interacting with other U3As.

Eastern Metropolitan Region

At a local level, Nunawading is an active member of the U3A Eastern Metropolitan Forum, which meets three to four times a year to share ideas.

Looking forward

The biggest change on our horizon is our proposed move to the new Nunawading Community Hub. Over the past two years we have met many times with the Council project team and the architects to discuss how we might operate in this very different purpose-built environment.

Your Committee of Management has established a Transition to The Hub sub-committee, headed up by Andrew Gee. This group is working on many aspects of our move to ensure the change of location is as smooth as possible.

Thanks

I would also like to take this opportunity of again thanking the City of Whitehorse for their support. We look forward to our continuing partnership as we plan for our future in Nunawading Community Hub.

As you know, we would not be the vibrant U3A we are today without our members willingly stepping up to volunteer their time and expertise, and on behalf of you all, I thank every one of them for their contribution to the wellbeing of our organisation and its members.

Finally, thank you to my fellow Office Bearers and members of the Committee of Management for their support over the past three years. I continue to feel blessed to find myself in such a rewarding role at this time of my life.

Valerie Donlon

28th Annual General Meeting

PICTURES (clockwise from top):
AGM audience listens to President's
address; Cr Ben Stennett addresses
the meeting; Glen Wall speaks;
U3A Nunawading president Valerie
Donlon; another view of the
audience.

NINETY members and invited guests met in the Seniors Hall on Wednesday 22 August for the presentation of U3A Nunawading's annual report and election of the Committee of Management.

President Valerie Donlon presented an overview of the organisation's activities for the past 12 months and Treasurer Barbara Worcester outlined our 2017–18 financial performance.

Noela Winter and Colleen Skinner did not seek re-election and were presented with potted orchids in appreciation of their contributions. Irma Ivcovici, Sue Ebert and David Patston were welcomed to the Committee as new members. Please refer to the back page of this newsletter for all the names of the 2018–19 Committee.

Following formal proceedings, Springfield Ward Councillor Ben Stennett spoke about the new Nunawading Community Hub and Acting President of U3A Network Victoria Glen Wall addressed the audience on the recent work of Network. Members and guests were then invited to enjoy a light lunch together.

Treasurer's Report to the 2018 AGM

Barbara Worcester presented her report for the 2017/18 year, making the following points:

Overview: Cash Accounting is used to manage finances and we are registered for GST.

Total Income	\$144 028	(\$137 723, 2016/17)
Less Total Expenses	\$109 608	(\$101 164, 2016/17)
Surplus	\$34 420	(\$36 559, 2016/17)

Cash, bank balances and Fixed Term Deposits – 99.6% of assets – increased by \$34 521 compared with an increase of \$36 699 in 2016/17. Total Cash, bank balances and Fixed Term Deposits at 30 June 2018 was \$163 861.

Major Factors contributing to operating results:

A. For 2017/18, a \$75 all-inclusive membership fee was introduced, with no additional fees for Computer Courses or Summer School. Compared with 2016/17, the membership fee was then \$70, with additional fees of \$20 for Computer Courses and \$10 for Summer School.

The 2017/2018 fee structure was developed to:

- (a) ensure yearly income covered yearly expenses without drawing on Cash Reserves; and
- (b) build the level of Cash Reserves, including making provision for:
 - (i) 3-5 year replacement cycle for IT and other equipment (\$15 000 pa); and
 - (ii) The future move to the new Nunawading Community Hub (\$1000 pa)

- B. Two project-based State-Government funded ACFE grants totalling \$10 500.
- C. Significant cost differences in:
 - (a) \$3000 removal UMAS fees by U3A Network, part of their State-Government ACFE funding;
 - (b) \$5299 increase in rentals;
 - (c) \$3963 increase in technology repairs and maintenance at Forest Hill Computer Centre.

Income Sources:

Membership Fees (incl. \$272 for 2017 Computer Fees)	\$122 991 (85.4%)
Social Events (Social Committee, Melb. Cup)	\$5 174 (3.5%)
Grants (State Government, City of Whitehorse)	\$11 325 (7.8%)
Other	\$4 538 (3.3%)
TOTAL	\$144 028 (100%)

With Member Fees added to Social Events, members' income contribution was 88.9%.

Membership Fee 2019:

\$75, all-inclusive, no fees for Computer Courses or Summer School. The same as 2018.

Auditors 2018/19:

Tregear, Bain and Taplin, Chartered Accountants, Blackburn.

Where there is a quilt . . .

AT the end of last term Patchwork 3 hosted Sheryl and Annette from Quilts for Orphans, an organisation supporting charities in Melbourne and overseas. *"Where there is a need that we can meet, we will. There is truly no better feeling than to give, and we trust that the quilts and other stitchings we provide brighten the lives of the recipients."*

Before a special morning tea, we gave them a number of finished quilts and quilt tops our group had been working on during the term, plus a collection of fabrics.

The old saying "it is more blessed to give than to receive" was true as the U3A ladies heard about Quilts for Orphans' beginnings, their story so far, and the organisations they support. We know that our small contribution will brighten the day of those in need and we look forward to hearing of their inaugural Festival of Quilts later in the year. Our group has been invited to visit one of their monthly meetings.

"Thank you so very much to the wonderfully skilled ladies of the U3A group. It will be our pleasure to add the finishing touches and quilting to these beautiful quilt tops and we look forward to being involved with you in future endeavours to wrap folk in our fabric 'hugs', from all at Quilts for Orphans."

Course Administrator's Report

As you know, we sometimes have to cancel classes because a Leader is unwell or away for some other reason. We always give members as much notice as possible by emailing them if we know a couple of days in advance or phoning if there is less than 24 hours' notice. As you can imagine, it takes a lot of time to call members individually if they do not have email or if the notice is short. Therefore, we really rely on members checking their email inboxes every day to keep up with any messages sent from U3A.

Some computers, however, have their security settings set for group emails to go straight into their Junk or Spam folder. Please get into the habit of checking these folders whenever you check your inbox to ensure you are not missing any important messages from us.

Reminder about wearing your U3A badge

Please make every effort to remember to wear your badge when you are at U3A. With approximately 2000 members, it helps all of our volunteers identify you but, more importantly, it is for your own safety. I heard of a member of a country U3A recently who collapsed unconscious in the street outside her U3A and because she had her badge with her, the ambulance was able to contact her next of kin immediately to ascertain any medical conditions, etc.

New class starting in Term 4

18HUM026 Road Safety

Leader: Aldo Pitre

Location: Room 5

Tuesday 1:30–3:30pm

This class aims to ensure that you will be able to keep driving for as long as possible: awareness of road law changes, medical and physical change, road changes and all the problems associated with staying on the road. The City of Whitehorse 'Wiser Driver' will be a part of the presentation.

Classes returning in Term 4

18ART006 Chinese Calligraphy

Leader: Patrick Kan

Location: Seniors' Meeting Room

Tuesday 2:15–3:30pm

This is a 5-session introductory course into Chinese Calligraphy. The focus is on techniques of using the Chinese brush, composition of Chinese characters and the layout of a Calligraphic work. Course compulsory material includes the ink stone, two Chinese brushes, one sheet of water practice material and 16 sheets of Chinese Calligraphic paper at \$30, payable to course leader at first session. If you were a member of this class in 2016/17/18 and would like to extend your knowledge, there is no need to purchase new equipment.

18EXEM07 Self Defence

Leader: Tony Susac

Location: Room 5

Thursday 12:30–1:30pm

Participants will learn self-defence techniques and awareness through theory and practical application as well as fitness with emphasis on maintaining and regaining balance, strength, mobility, cardio and flexibility. Suitable for both men and women.

18GAM013 Scrabble

Leader: Joan Kelleher

Location: Room 9

Thursday: 11:15am–12.45pm

Are you interested in playing scrabble to help keep your mind active? Joan still has room in this term 4 class, Beginners welcome.

18HIS015 Film History

Leader: Ivan Glynn

Location: MPR

Wednesday 1.45–3pm

An opportunity to study film set in different periods. Explore how directors use a range of cinematic techniques in order to present their perspectives on events of the past or adapted a novel to reflect a point of view. The class will be involved in the choice of film and discussion is encouraged.

Elsie Mutton

auf wiedersehen!

SIXTEEN members of the German Social Group enjoyed a great night out on Sunday 3 June during the German Film Festival. The movie was called 'A Jar Full of Life' (*Vielmachglas*), an uplifting comedy about Marleen, a young woman living with her parents and not doing much, who embarks on an adventure after the accidental death of her older brother. After the movie we had a convivial dinner at the Hophaus in Southbank.

The German Social Group usually has one get-together each term. Speaking German is not a requirement! If you are in one of the German classes, or just have an interest in Germany, please give your email address and phone number to the Course Administrator and ask to be included on the contact list.

A magic comedy afternoon

THE Social Committee greeted around 80 members and friends with a warming sherry or juice and Nick Pringle introduced Graham Haynes, our movie master for the afternoon. The Seniors Hall was decorated with numerous posters from shows we love. Graham tickled everyone's funny bone on a cold wet Saturday with his clips from movies like *The Two Ronnies*, *Mr Bean*, and *Paddington 2*. Sophia Loren danced across the screen with many of her on-screen lovers to memorable movie tunes and a timely remembrance to Aretha Franklin.

Chocolate coated ice-creams were handed out at interval and we clapped for three ladies who wore fancy dress. Mel Thorn as Jeannie (*I Dream of Jeannie*) took the prize with her spangly gold-and-black outfit and genie bottle. She even regaled us all with a joke to everyone's delight.

At the conclusion, boxed afternoon tea was served filled with delights prepared by the Social Committee ladies. Another fun afternoon was enjoyed by all.

Jillian Gale

Dressing up for the afternoon

98 blast!

ALEC Doherty, long-time tenor saxophone player of the Silver Grove Swing Band, recently celebrated his 98th birthday with more than 70 of his friends and family at the Box Hill RSL.

Born in Glasgow, he served as a radio operator and gunner in WWII in India (where he became a Golden Gloves boxing champion), Burma and China.

Arriving in Australia after the war with his family he soon found employment as an upholsterer, but also formed and joined various jazz bands around Melbourne. Alec soon became well-known as an innovative jazz musician.

As a resident musician on Graham Kennedy's IMT,

he accompanied artists such as Sammy Davis Jnr and Frank Sinatra. He even played golf at St Andrews in Scotland with Sean Connery!

Alec's birthday celebration began with a Blues session and a surprise visit from Wilber Wilde, one of Alec's early students. Many musicians came to enjoy the celebrations and the Silver Grove Swing Band played throughout the evening with lots of great solos from Alec himself.

There were videos from friends and family all around the world with heartfelt wishes for Alec. Also, of course, the memories of a very busy and well-spent life shared with us all.

In Alec's own words: "it was a blast".

OAM for Phil

THE Geology group was delighted to congratulate Phil Bock (U3A Nunawading Co-Leader) on receiving an OAM General Division award for his services to Geology, Marine Biology and the Community. The group gave him a lavish morning tea, and later some adjourned to a nearby cafe for lunch where we were joined by Phil's wife, Margaret. A most enjoyable morning as a thank you to Phil for his years of dedicated leadership for our group.

Ruth Hoskin

Your Life; Your Choices: Let's Talk and Plan

ON 12 May, U3A Nunawading ran an Expo titled *Your Life: Your Choices: Let's talk and Plan*. It covered issues relevant to end-of-life and while it is a subject that most of us prefer not to think about, let alone discuss, all 93 attendees had a great time and came away feeling more knowledgeable and comfortable to make decisions about the future.

Four speakers discussed the topics of Advanced Care Planning, palliative care, funeral arrangements of all kinds, and a range of options in cemeteries. Essential information was provided with many touches of humour along the way.

Fifteen stalls were set up around the room providing information and show bags on topics including wills and estate planning, alarm systems, retirement homes, organ donation, and a wide range of community care services for seniors.

Australian Hearing arranged a hearing bus, tested 12 people, and made appointments with many others.

The City of Whitehorse provided information and brochures on services for seniors within

the Whitehorse catchment area and displayed a range of relevant books, DVDs, and other resources available from their library.

Participants were issued with a show bag complete with publications from My Aged Care, the Office of the Public Advocate, and the Victorian Law Foundation.

Speakers and stallholders were impressed with the arrangements and have expressed a desire to participate in similar events offered by U3A Nunawading in the future.

Participants were enthusiastic in their feedback and many have taken action as a result of the Expo.

Thanks to Elaine Forde for her efforts in planning the day and organising speakers and stallholders, to Leo who helped set up, to Bert for his assistance with the projector and microphone, to all speakers and stallholders, and to everyone who attended. We came away feeling motivated to take action and begin the conversation with our families about our wishes for this stage of our lives.

Term 4 Computer Courses

By popular demand!! The following short courses will again be available in Term 4.

18COM419 Keeping up to date with Windows 10

Demystify some of the jargon, have some of the unfamiliar terms explained, learn about the benefits of using the in-built Windows 10 Applications and more!

18COM417 Get Gmail!

This 5 week course will help you to set up your own free Gmail account and use it effectively. You will learn how to manage your emails with labelling and archiving and how to synchronise your Gmail account so that you can access it from your Tablet and Smartphone.

18COM411 The NBN is Coming. What should I do?

This one-off session will give you the up to date news on what to expect from the NBN *before* you need to connect.

18COM401 Tips & Tricks for your iPad

You understand the basics of the Apple iPad but would like to know more? This course will provide you with some new ways of enjoying the many different features of your iPad including the latest Apps.

Other popular courses returning in Term 4 include:

- Genealogy (Continuing Beginners)
- Photo Editing
- Creating a Photo Album
- Practical iPhone
- Researching Shares on the Internet (Experienced)

Want to know more and enrol?

Term 4 Computer Course Descriptions are on the U3A Nunawading website under the Courses page at www.u3anunawading.com.au. You can book online or at the office.

Cut your
dementia risk
by 35%

RESearchers are now learning that dementia is not an inevitable part of aging. About a third of dementia cases might actually be avoided by living a lifestyle that better protects your brain.

Of the different brain disorders that cause dementia, Alzheimer's is the most common, followed by cerebrovascular disease and Lewy body dementia. Some 47 million people around the world are currently living with dementia. The number of people with dementia is expected to triple by 2050 as populations age.

A recent Lancet report by leading dementia researchers world-wide zeroed in on nine of the best-known lifestyle factors accounting for over a third of dementia cases. Addressing these factors might cut our dementia risk by up to 35%. Increases in levels of education seem to protect people from getting dementia.

Dementia symptoms typically show up in old age, but causal brain changes are thought to develop years earlier. Things that might help stave off those changes:

1. **Check your hearing, get a hearing aid if you need one** There's a strong correlation between even mild hearing loss and an increased risk in cognitive decline and dementia.
2. **Keep learning** Less education is associated with an increased risk of dementia.
3. **Stop smoking** Tobacco contains neurotoxins, which damage the brain.
4. **Seek out treatment for depression** It boosts a person's dementia risk.
5. **Exercise** Protects brain by reducing body's cortisol levels and increases the growth of memory-related nerve cells.
6. **Manage high blood pressure** Stress on circulatory system increases risk of neurodegeneration.
7. **Maintain a healthy body weight** Researchers believe obesity causes brain damage as it's linked with reduced blood flow to the brain.
8. **Keep your blood sugar in check** People with diabetes are more likely to have dementia.

The scientific community is already learning about other potential contributors to dementia, such as exposure to pollution and lack of sleep. Not all cases of dementia are preventable; about 7% are linked with genetics and can't be modified with lifestyle changes.

A chance to look for family

"We were very lucky to have former Genealogy students offer to lead a one term Genealogy course for those who were beginners in using the computer to search for early family members. We would like to offer this course again, so if you have an interest in Genealogy, enjoy discussing and demonstrating how to locate the various digitised records using our desktop computers, please contact our Course Administration."

NUNAWADING

UNIVERSITY OF THE THIRD AGE

Re-enrolments

Re-enrolments for 2019 commence on Monday 26 November online and at the Silver Grove office. If you would like the convenience of enrolling from home, but are not sure how to do it, please enquire at the front desk and one of our Committee members on duty will show you.

You can pay your fees online when enrolling, but if paying at the office, we prefer you to pay by EFTPOS, although cheques and cash are still accepted.
