Dear Silver Grove Community,

Nunawading Community Hub Update

I am delighted to inform you that construction of the Nunawading Community Hub is now complete.

Due to current COVID-19 restrictions, an official opening event is not possible, so Whitehorse Mayor Cr Sharon Ellis will declare the hub open via Council's Facebook page on Saturday 5 September at 10.00am. The announcement will be available <https://www.facebook.com/whitehorsecitycouncil/>

As COVID-19 restrictions allow, an onsite event will be organised in the future so everyone can come together and celebrate this wonderful facility that will open a world of opportunities for the community of Whitehorse.

Although the hub will be officially opened, public use of the facility will be in line with COVID-19 restrictions. This means that the hub may not be able to operate at all for a period of time or there will be restrictions on the number of people who can be inside the facility at any one time. There may also be limited or no access to certain areas of the hub such as shared tea/coffee stations, communal kitchen/dining space or occasional furniture. We will keep you updated on access requirements.

When open during COVID-19 restrictions, access to the hub will be limited to those with a booking or attending a class.

We look forward to welcoming you to this magnificent facility as COVID-19 restrictions allow and will be in touch again in the near future. In the meantime, enclosed is a copy of the latest project newsletter. We would appreciate you passing on this information to your members and associates to help ensure everyone stays up to date.

As always, if you have any questions about the new hub, please contact Nunawading Community Hub Coordinator Melinda Brown via email Melinda.Brown@whitehorse.vic.gov.au or phone on 9878 5555.

Yours sincerely

Terry Wilkinson
General Manager Human Services
