

Check course availability online

Find out which courses still have room. Use the website Courses page – no need to login.

1

Go to the *Courses* page at the U3A Nunawading website (u3anunawading.org.au)

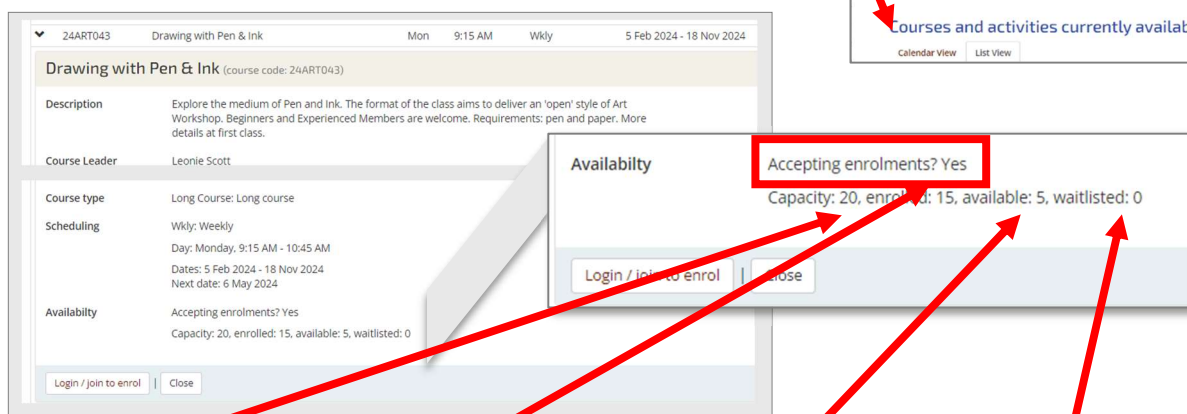

- On the *Courses & Activities* page, scroll down to *Courses and activities currently available*
- Browse or search for a course you may be interested in.

ALL the courses currently available are listed on this page, including those which are full or closed to new members.

2

When you have found a course you like, click or tap on the course to check the details, including how many spaces are left.

Capacity – the maximum number for this course.

Accepting enrolments – “Yes” means you can enrol or go on the wait list if full. “No” means the course is no longer accepting new enrolments or wait lists.

Available – number of places still available for this course. If this is 0 then the course is full and you will be placed on the waitlist.

Waitlisted – If this is greater than 0, then the course has a wait list and you will be added to it.

3

If the course has places available and is accepting enrolments, you will need to login to enrol, or fill out an enrolment form at Reception.
